

## **AARS Innovation Award**

Each year, the award will be given to two people whose papers have innovative points, appraised before each ACRS. The winners will be granted certificates of AARS Innovation Award with a gift as encouragement. At the same time, their papers or innovative points of the papers will receive the right to publish on the Journal of Remote Sensing without charge. And the winners will get one-year free subscriptions for Journal of Remote Sensing.

### **1. Purpose**

To reward Asian young scientists and students who are applying innovative ideas in remote sensing technology and applications.

### **2. Application and selection**

2.1 The author should be younger than 40 years old.

2.2 The author should be from AARS Ordinary Member countries or regions.

2.3 The paper should be a single author. In the case there are more co-authors, the number of co-authors should be less than two and only the first author will be considered for the Award.

2.4 The author should submit the full paper before the deadline to the secretariat of the coming ACRS and obtain a confirmation letter.

2.5 The award application form including the description within 500 words about the innovative points of the paper and the Curriculum Vitae (C.V.) of the first author should be attached to the paper and sent to Chinese National Committee for Remote Sensing (CNCRS), by e-mail: [cncrs@irsa.ac.cn](mailto:cncrs@irsa.ac.cn).

2.6 The application will be appraised by AARS and CNCRS Evaluation Committee before the coming ACRS, and four candidates will be decided.

2.7 The candidates should attend the coming Asian Conference on Remote Sensing and present the paper in oral or poster during the ACRS. The winner will be the two according to their scores given by AARS and CNCRS Evaluation Committee.

### **3. Prize**

The winners will be granted certificates with a gift as encouragement. At the same time, the winners will receive the right to publish their papers on the Journal of Remote Sensing without charge. In addition, the winners will be present one year free subscriptions for Journal of Remote Sensing. The prize will be supported by Chinese National Committee for Remote Sensing (CNCRS).

### **4. Presentation**

The winners will be announced and awarded at the closing ceremony of the ACRS.
